

Flanged Pump Connectors

Made from 321 stainless steel corrugated hose and 304L braid, Penflex's braided flanged pump connectors are designed to absorb vibration in piping systems. Sizes 2" – 6" are supplied with plain weave braid, while sizes 8" to 12" are supplied with braided braid. All sizes are outfitted with ASTM A36 carbon steel 150# slip-on plate flanges.

Nom I.D. (in.)	Part Number	Hose Series ^a	Overall Length (in.)	Working Pressure @ 70°F (PSIG)	Flange Thickness (in.)	Approx Weight (lbs.)
2"	PFPC-032	P3	9	475	5/8"	11
2-1/2"	PFPC-040	P4/700	9	350	5/8"	14
3"	PFPC-048	700	9	300	5/8"	15
4"	PFPC-064	P4/700	9	250	5/8"	20
5"	PFPC-080	700	11	175	3/4"	28
6"	PFPC-096	700	11	165	3/4"	33
8"	PFPC-128	700	12	234	1"	52
10"	PFPC-160	700	13	230	1"	74
12"	PFPC-192	700	14	161	1"	100
